

## **Under the ADCEa Spring Recital – Info & Reminders – Saturday May 3, 2025** **Papillion La Vista High School – 303 E Cary St**

### **DAY OF SHOW INFO**

**Costumes** – Most costumes could use a good steaming (DO NOT IRON!!). Please have dancers may come to the auditorium dressed in their costumes. If your dancer is in more than one class, please have their additional costume(s) in their garment bag with their name on it, as well as their additional dance shoes.

**Tights** – Please have your dancer wear the tights included in their garment bag under their costume. No undies should be worn under tights (unless your little one still needs a pull-up).

**Shoes** – Don't forget your dance shoes! I know this seems easy enough, but they're constantly forgotten at home!

**Hair & Hairpieces** – Hair can be done any way you'd like just be sure it's pulled back out of their face. Be sure hairpieces/accessories are secured. Please use extra bobby pins!

**Make-up** – Dancers need to wear a small amount of makeup, so they are not washed out by the stage lights. Please have your dancer wear eye shadow (any color except blue), mascara, blush and lip stick/lip gloss. Nothing else is needed! Boys do not need to wear make-up on stage.

**Tickets** – As a reminder, tickets are required for EVERYONE watching the shows in the auditorium. Ticket information was shared at the end of November. If you have not purchased tickets yet, please let me know so I can send you the ticketing link.

**ARRIVAL/BEFORE THE SHOW** – Your show time is when we will be STARTING the show. Please plan to drop your dancer off backstage (dressed and in dance shoes) **NO LATER THAN 15 MINUTES BEFORE** your dancer's show time. Allow yourself a few extra minutes so you can get into the building, check your dancer in backstage and find your seats. The closer to showtime you arrive, the longer the line to get in for seating. I would suggest arriving to the auditorium 30 minutes before show time to allow yourself plenty of time before the show begins.

- Seating into the auditorium will open 30 minutes before show time.
- We will have photo spots created in the lobby area for you to take advantage of. Please feel free to take pics before (**as long as you are backstage 15 minutes before show time**) & after the show.
- **Have your dancer use the restroom. Please. No really, just have them try! We will not hold the show for any little ones who need to go during the performance and would hate for them to miss their time to shine!**
- Head backstage and drop your dancer off with tights and costume on and hairpiece set and in their dance shoes.
- You may head to the auditorium to find your seats.

**DURING THE SHOW** – We will take care of everything backstage, even if your dancer has a costume change during their show. So, sit back and enjoy!

- NO photography or videography during the show please. Our professional videographer will be recording everything. You'll receive a link to download your dancer's performance digitally.
- At the end of the show, please plan to pick your dancer up in their designated drop off spot.

**AFTER THE SHOW** – You can visit the lobby for some photos in our photo spots if you didn't have a chance before the show.

**DANCERS IN MORE THAN ONE CLASS** – As I mentioned above, if your dancer has multiple classes/costumes in the **SAME** show, we will be changing their costume during the show so you may enjoy everything from the audience. Please leave your dancer's extra costume(s) in the **QUICK-CHANGE ROOM**, located backstage. A staff member can show you where that is located behind stage right. PLEASE check the Band App to be sure your dancer is in the correct costume to start their show.

If your dancer is in different shows, you will need to change their costume between shows. You may use the QUICK-CHANGE ROOM between shows or bring them dressed from home if you have a break in between your shows. Please turn costumes in after each show your dancer is in. Do not wait until the last show to turn in ALL costumes.
